 Orphans in Need

Orphans in Need needs you.

Orphans in Need is one of the fastest growing charities in the UK, and is becoming increasingly recognised for its humanitarian work around the world. As well as the obvious necessity for financial donations to be able to do this, we cannot succeed without donations of a different nature as well - people's time.

Our Volunteers Club aims to recruit people throughout Europe to help our operations exceed our targets. Have you any spare time to help an orphan in need? Giving up just some of your time could make such a significant impact on the lives of these needy children, wherever they are.

Contact **0800 999 0852** now or email **volunteer@orphansinneed.org** and become part of our high profile organisation. We're well versed in using the media to publicise our work, so we gain much admired recognition with everything we do. We already have a team of people from all walks of life working on current projects, but we want you to become part of our network in your spare time too. Organising fund-raising events. Office-based administration work. Or invaluable help out in the field. It all needs to be done - by people like you. Please help if you can.
